

YummyEats.com Tuna Toasties

Our own recipe for a quick and easy appetizer using simple ingredients put together on crackers for a toasty treat.

6 oz. can tuna fish, drained
1 Tablespoon minced white onion
1/2 teaspoon dry mustard (we like Colman's powdered mustard)
2 teaspoons sweet pickle relish
salt and pepper to taste
crackers of your choice (we like "Harvest Bakery Multigrain Crackers" for this recipe - or try "Ritz")
sliced Swiss cheese (1.5 oz. total)
hot sauce (such as Tabasco)

Preheat oven to 375 degrees.

Mix tuna, onion, mustard, relish, salt, and pepper in small bowl. Place a dollop (small spoonful) of the mixture on a cracker then place the cracker on a baking sheet. Continue preparing crackers until tuna mixture is gone. Place a proportionally sized (the size of your tuna dollop) piece of Swiss Cheese on top of each cracker, followed by a drop of hot sauce. Bake for 10 minutes - serve hot.
