## Zucchini & Tomato Gratin

*We often use our vegetables in this easy side dish*

- - - - -

2-3 medium zucchini, seeded and sliced  
2-3 medium tomatoes, chopped  
1 Tbsp olive oil  
1/4 cup Italian style bread crumbs  
salt & pepper, to taste

Saute the zucchini in olive oil until just soft. Season with salt and pepper. Place in a casserole and top with the chopped tomatoes. Season again, and sprinkle with the bread crumbs. Bake at 375° for about 1/2 hour, then broil for a couple minutes to brown the top.
