

Bittersweet Hot Fudge Sauce

Here is the recipe for Yummyeats.com's own Bittersweet Hot Fudge Sauce.

1 oz. bittersweet (not semi-sweet) chocolate
1 Tbsp. butter
1 Tbsp. cream
pinch salt

Melt the chocolate and the butter together in a small heavy bottomed saucepan or in a double boiler. Add the pinch of salt. Stir in the cream until a smooth texture is achieved. Makes enough sauce for 2 to 3 sundaes.
